

EMPLOYMENT OPPORTUNITIES

There are many different categories of jobs at the Niagara Air Reserve Station. Please refer to the following for the category of position that you may be interested in.

FEDERAL CIVIL SERVICE APPROPRIATED FUND POSITIONS:

We maintain a list of current and anticipated vacancies on the 914 Portal page. You can also friend the 914 on Facebook. Job vacancies will be posted there as well. We try to keep these lists current, but they change constantly as positions are filled and vacated.

Current Air Force Civilian Employees – Apply through USAjobs at www.usajobs.gov. **All** civilian positions will be posted on this website. Even though you are currently a civilian employee, you will have to apply through USAjobs by accomplishing a resume and uploading your most recent SF 50. Your SF 50 proves your eligibility to apply as a current employee. **IF THE SF 50 IS NOT INCLUDED WHEN YOU APPLY, YOU MAY NOT BE CONSIDERED FOR THE POSITION.**

All others – To apply for federal employment (including ART positions) you must also apply at the USAjobs website at www.usajobs.gov. The position announcement will state “WHO MAY APPLY”. Make sure you are applying to the correct announcement as announcements are frequently sent out for current federal employees AND all US citizens. Don’t forget to include all documentation they require (i.e.: DD214, transcripts, etc.). If you claim vet preference and do not submit documentation (i.e.: DD214), you will not be considered as a veteran. Once the selection certificate is sent to the selection official, there is no way to change it. Make sure everything you submit is correct.

NON-APPROPRIATED FUND POSITIONS:

These positions are located in Billeting, The Heritage Center, Rental Center and Recreation Center. For any of these positions, call the Non-Appropriated Fund (NAF) Human Resources Representative at (716) 236-3367.

BASE CONTRACTOR POSITIONS:

Several Niagara Falls ARS Civil Engineering, Supply, Transportation, and Base Operations functions are the responsibility of on-Base Contractors. You may contact them directly at (716) 236-3296, Bldg. 600, for applications procedures, or view job listings at www.ssi-main.com. You can also contact Mary Ann Cooper at Base Supply at (716) 236-2223.

ARMY CIVILIAN PERSONNEL OFFICE (for MEPS positions):

The following website can be used to look for vacancies at MEPS, which is located here at Niagara: <http://acpol.army.mil>. MEPS vacancies can also be found on www.usajobs.gov. The MEPS employees are serviced by the Army.
